Microsoft Certification Exams 50% Discount Voucher Code

Once you have successfully completed this specialization program and earned your certificates you are ready to schedule the Microsoft Certified: AZ-900 Azure Fundamentals exam. You'll receive an email notification that gives you an opportunity to unlock a discount certification voucher code. Once you have unlocked the code you can use this to register and schedule the exam through Pearson Vue. In addition to an email, learners will get a notification on the platform about the discount code when logged into Coursera.

Redeem your voucher

We strongly encourage you to redeem your discount voucher within three months of receiving the code. This is a perfect opportunity for you to get certified and advance your IT career while saving money in person or online

Once you are ready to schedule the proctored exam you can take Microsoft certification exams with Pearson VUE in person at an Authorized Test Center, or online in the comfort of your home or office while being monitored by an offsite proctor. [Find out more.](#)
